### Benefits

- Provides efficient organization of documents
- Simple and effective
- Allows for easy insertion or removal of papers
- Durable for ease of reading and photocopying

### Overview

Redi-Clip™ Fasteners feature a unique design that allows folders to function like ring binders. The U-shaped extension piece is removable, allowing you to easily insert or remove papers. The flexible vinyl clip securely holds up to 2" of paper. Use with a standard 2 ¾" center-to-center hole punch. Make notes, even photocopies without taking pages out of the folder, because REDI-Clip leaves each page visible right to the margin!
