

3-PRONG READI-CLIP™

Benefits

- Provides efficient organization of documents
- Functions like 3-ring binders
- Allows for easy insertion or removal of papers
- Durable for ease of reading and photocopying

Overview

Redi-Clip™ Fasteners feature a unique design that allows folders to function like 3-ring binders. The extension piece is removable, allowing you to easily insert or remove papers. The flexible vinyl clip holds up to 2" of paper. Make notes, even photocopies without taking pages out of the folder, because Redi-Clip leaves each page visible right to the margin. This is a great alternative to 3 ring binders without having to repunch holes in your existing documents!
