

Home Healthcare Products

We are all living longer and healthier lives. Quality of life is very important to us and we want to retain our health and independence for as long as possible. We are excited to announce that we now provide home healthcare products to all customers desiring more cost-effective and first-rate aids that will improve quality of life.

- Unique products to meet a full spectrum of needs
- We offer medical products and equipment needed to enhance daily living, provide care for a loved one at home, or equip your home healthcare agency
- We provide disability aids, geriatric care products, nursing home equipment, and more
- We supply businesses, clinics, hospitals, government agencies, colleges, universities, and more

For more than 35 years Colortrieve has been a leading resource for medical records management solutions. Today, we include home healthcare in our product line-up. We see it as a natural extension benefiting from the knowledge we have accumulated over many years of working with Visiting Nurse Associations, Home Healthcare Clinics, Retirement Centers, Hospice, Long Term Care Facilities, and Rehabilitation Healthcare.

We are known for our excellent customer service, competitive pricing, and industry experience; our customers consider us their healthcare partners. Our products consistently improve comfort and well-being.
