

NEGATIVE FILM PRESERVERS

Benefits

- Adaptable to any radiology filing system
- Durable construction
- Universal print copy
- Choose from different sizes and colors to meet your needs

Overview

Designed to store and transport X-ray films, Negative Film Preserver Envelopes are constructed from Kraft stock for active film filing applications.

They are designed for use as daily exam envelopes within the master jacket.

Available unprinted or containing stock copy, these Negative Film Preservers can be used in any radiology filing system.

Specifications

- Available in 28 lb. Brown and 32 lb. Brown, Gray, Red, and Green Kraft stock
- Multiple sizes available in open end construction; our most popular large size envelope is available in either open end or open top construction
- Choose from stock copy black printing or unprinted to meet your needs
- Packed 100, 250, or 500 per carton
