Benefits

- Rediscover independence with our complete range of seating and positioning aids
- Our sales specialists will help you select products that meet your unique needs
- Competitive pricing, fast shipping and superior customer service

Overview

From a simple seat pad to an overstuffed wheelchair cushion, an elevating bed wedge to a deluxe dream pillow, whatever your needs our extensive range of seating and positioning aids will give you everything you need for comfortable sitting, resting, and sleeping.

Our range of wedges, cushions and pillows include molded foam, memory foam, and polyester fiberfill. They provide benefits well beyond comfort including pressure management and positioning that can reduce fatigue and enhance seated balance throughout the day. Not everyone's positioning and sense of comfort is the same, so let us help you select the right cushion for you.

Whether you are sitting in a wheelchair, at a desk, in the car or somewhere else, we at Colortrieve believe our cushions will significantly increase your comfort.
