

TRANSITION FOLDERS™

Benefits

- Provide consistent care during transition periods
- More affordable interim solution
- Migrate to less paper
- Stay organized with Transition Folders

Overview

Going EMR?

Bridge the gap between Traditional Medical Folders and Electronic Medical Records. Colortrieve's Transition Folders™ feature your design to meet your organizational changing needs. These are not permanent records, but instead, mobile working files.

These redesigned folders recognize the changing role of paper in medical facilities by introducing a simpler construction with fewer fasteners and pockets. They may or may not need to be color-coded.

Specifications

- Available in manila or colored paper of various weights and sizes
- Accommodates a maximum of 1" capacity
- Can be customized with printing, labels, number and type of fasteners and pockets, and special reinforcement
- Colortrieve is your source for large or small quantities
