

DENTAL FOLDERS

Benefits

- Organized files keep dental records current
- High-quality manila folders
- Top fasteners and half- or full-size pockets organize chart documents and store accessories
- Many custom options available

Overview

Colortrieve's Dental Folders are designed to keep your dental charts organized. Top mounted fasteners store papers securely in place. Choose from half- or full-size inner pockets to hold X-Rays and smaller items.

Our sales specialists can help you create a folder that best meets your needs. Whether you need preprinted text or space to document patient information, color coded pockets or fasteners, Colortrieve will provide these.
