FILING, BUILT TO LAST: Your documents are valuable; they should be stored in folders that hold up to heavy use and are easy to keep organized. Pressboard's sturdy composition is wear and tear resistant and Tyvek® expansion gussets allow for confident storage of up to five inches of documents without overloading the folder.

FULLY CUSTOMIZABLE: Every business has its own unique storage needs. Whether you are looking for high capacity, extensive organization, an attractive and professional look, or a combination of all three, we can help you customize your folder to meet your specifications. Our wide range of custom options include: pressboard colors, gusset colors and size, dividers, fasteners, pockets, printing, drawer or shelf style, and tab divider sets. Our qualified sales specialists are here to understand your needs and assist you in creating the perfect folder. Colortrieve can also replicate the folders you are currently using. Send us your current folder and our in-house designers will do the rest.

STOCK OPTIONS: We stock hundreds of different pressboard folders including: legal or letter size, with and without fasteners, with and without dividers, expansion up to 5", multiple colors, drawer (top tab) or shelf (end tab) styles. Visit www.colortrieve.com and order online.
