SIZING CHARTS: Sizes shown for apparel other than Front Protection Aprons are actual body measurements. If you don't think that our standard sized garments will fit you properly, we are pleased to offer you the chance to create your own size, to fit your specific body measurements. Call us and we will create your customized protective wear. Please note, that customized apparel cannot be returned. Please be accurate in your measurements.

CIRCUMFERENCE OR HEIGHT CONSIDERATIONS: When measuring for a Front Protection Apron, measure from one side of the widest part of your body, around to the other side – the actual distance you want protected.

In relation to your circumference, do you have a long or short torso? All lengths are from the sternal notch or waist downward, depending on the garment. We want to make sure that you are adequately protected!

MANUFACTURING LEAD TIME: We understand that you need a quick turnaround on your protective garments and it's why we place such an emphasis on getting them to you promptly. Each garment is manufactured at time of order – for orders consisting of 10 or fewer garments, our lead time is typically less than 15 business days.

QUICK-SHIP PROGRAM: We also understand that you may need a quicker turnaround on your protective garments and that's why we developed our Quick-Ship Program. Protective aprons, thyroid guards, lap guards, gonad shields in our *classic sapphire color* are usually available to ship the next business day. Our Quick-Ship aprons come in *lightweight lead* and our Quick-Ship lap guards, thyroid shield and gonad shields all come in *regular lead*. Contact us at sales@colortrieve.com for details.

RETURNS: You may return or exchange most apparel items sold by us within forty-five (45) days of delivery. Customized and/or embroidered apparel are not returnable unless they arrive damaged or are different from what you ordered.

If your shipment arrives damaged, defective or incomplete, contact Colortrieve immediately. Whether the damage is visible or concealed, keep all packaging materials for inspection. Damages must be reported within five (5) days after delivery. Please take pictures of your damaged or defective item and forward them to us at sales@colortrieve.com.

If you are returning a non-custom item, you will be responsible for the return shipping (unless damaged or not what you ordered) and a 50% breakdown and restocking fee will be deducted from your refund.

If you are exchanging a non-custom item, you will be responsible for the return and new shipping, however, you will not be charged breakdown and restocking fees.

Returns require an RMA number assigned by Colortrieve to keep track of your return for proper and prompt processing. Contact us at sales@colortrieve.com to receive an RMA number. Returned items must be in resalable condition.
